

# Digestive Disease Care for All (DDCA)

Dr. Mahmudul Haque, MD, PhD

(863) 802 - 1111

## Instructions for EGD

- If you are taking Coumadin, Warfarin, Jantoven, Aspirin or any other blood thinner, you must stop these medications 3 days prior to your procedure.

Your test is scheduled on \_\_\_\_\_.

The surgery center you are scheduled with will call you the business day before with the time of your procedure. You must do the following to properly prepare for your procedure:

- For the day prior to your procedure you may eat as normal.
- NOTHING to eat or drink after midnight on the day before the procedure.

On the day of your test, \_\_\_\_\_, you are to arrive at the surgery center one hour before your procedure. Bring your ID and insurance card to the appointment along with any copays/coinsurance if applicable.

- Be sure to bring a driver as you will be sedated for the procedure and you will not be able to drive.

***If you are unable to keep this appointment, please make sure to call our office at (863) 802-1111. Failure to cancel 3 days ahead of time will result in a \$75 Cancellation fee.***
